

## Minutes of June 2023 ESDH SAC

### Some business:

Attached are a few items for your perusal:

1. 2022-23 ESDH Student Success Plan and Annual Report – This is an outline of the work that has been done this year with a focus on improving student well-being, literacy and math along with some focus on cultural relevant pedagogy and regular formative assessment practices.
2. ESDH School Advisory Council Annual Report – This report captures some highlights of the year including ways our SAC has supported our Schools. **ON SCHOOL WEBSITE**
3. SAC Annual Survey Report Back – Based on feedback given a while back, this report summarizes feedback from all SACs in the province.

### FYI s:

- We are looking forward to hearing back about the Naming Committee final report. The Senior Staff next meeting is scheduled for June 27 so we look forward to hearing back soon after that. We should know come September at the latest. Thank you to our volunteer committee members!
- Schools are charitable organizations and do not run for profit. Any fundraised monies and fees collected are to be applied for their identified purpose.
  - ESDH has submitted to HRCE Senior staff a Student Council student fee request of \$15 for the 2023-24 school year. Should the provincial grant come through again, we will not go ahead with this. ESDH Student Council has been very active in planning various fun activities for our Schools.
  - Athletics will continue with a user-fee pay structure. There are fields, diamonds, turfs, rinks and practice facilities that have rental fees as well as referees. Adding equipment and uniforms, it does not take long for costs to add up. We will continue to do our best to have reasonable fees for families that cover costs associated with team play.
